2 people have recommended Priyank

"Yank has good expertise in web design and flash. He is versatile with latest web techniques. He can achieve good heights in his career. As my colleague in Tribal, he shared many good technical ideas with me. He is a good project leader and will be a talented project manager in future. I wish him all success."

— **Kamlesh Mehta**, *Group Head Creative, Tribal DDB India*, managed Priyank at Yahoo! India

"Priyank started working with us as a freelance consultant. His relaxed mindset and knowledge of Design, programming, technology, speed and attention to detail made him a pleasure to work with and got him a full time employee status. At his age he's super knowledgeable in just about every design software, a fast learner and very well equipped to handle the interactive space. I highly recommend his design, passion and dedication to the interactive space and would love to work with him again."
